International Research Awards on Sustainable Agriculture and Food Systems

CALL FOR PROFILE – AGRICULTURE AWARD

About Awards: Agriscientist takes the privilege to awarding the Industries, Academicians, Researchers, Doctors, Scientist, and Regulators from Science, Health and Engineering fields across the globe to its International Events. The NESIN International Research Awards is an annual gathering. This Event is a unique international platform that's a meeting of all Researchers. We look forward to personally welcoming all the award winners.

Objectives: The Agriculture International Events is awarding high quality Researchers in different subfields. The purpose of award ceremonies and assemblies is to celebrate researcher achievements and motivate them to continue on their path. The Good researchers are more motivated to succeed in their research field. People want to be respected and valued by others for their contribution. Offer the opportunity to be updated on the latest research outputs on several topics. Organize specific workshops around the most attractive and current issues. Gather worldwide experts as Event speakers.
